Assessment

Assessment should lead a teacher to support students in the mastery of their learning every week, not waiting until a test or interview in several months time.

We as teachers are encouraged to engage more with our students in the everyday life of the classroom. Numicon is designed particularly well for this with conversation and problem-solving activities throughout.

Oxford University Press has committed to supporting teachers. Mastery activities, videos and supporting articles are available for free on Oxford Owl. You will also find more information on [NCETM](#)

The Explorer Progress Books are fantastic for assessment. Your students can fill in the relevant pages each week at the end of each Activity group. These are sold in class packs of 30 or as individual sets in a Mixed Pack. It's not a good idea to photocopy them- it breaks copyright and it's cheaper to buy them!

Case study call

Many schools are asking for NZ research, case studies and information that is relevant to NZ. When your school submits a case study report, we will send you one class set (NPC a, b and c and GMS) of Explorer Progress of your choice. There is a limit and this offer expires May 1. Thank you for your support!

To download a form [click here](#).

To see a sample [click here](#).

To see UK case studies [click here](#).

Courses

There are many courses advertised on the [website](#) with many more in the planning stages. If you don't see one there to suit, contact me to set one up.

If your school wants to host a course to help cover the cost and share with other schools, read about [Hosting a course here](#)

Oxford Owl, Did you know...?

- For one hundred pounds your entire school can access all the Numicon files for one year. Photocopy Masters, Activity Group Summaries, PD videos, Assessment grids and individual files.
- Purchase the access directly at [Oxford Owl](#)
- You can let your families know about the great Maths activities and 250 ebooks on Oxford Owl in the Home section.
- There is wonderful Teaching and PD support on Oxford Owl.

Supporting Resources

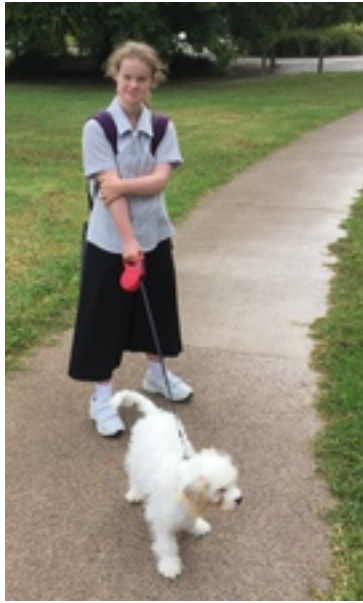

More files have been added for:

- NZ Coins spinner
- Organisational Files
- Mastery in Maths
- Algebra
- Dyscalculia and more!

We had a great holiday exploring the East Cape. Our girls bring us great joy! Emily is now in Year 12 and Stefie is in her second year at uni. Wow, how the years zoom by!

Having a puppy, Rosie, has brought added joy.

From our home to yours - Have a great year!

Kind Regards
Margi Leech, +64 9 520 4022 <http://www.numicon.co.nz>
