

Independent Task 1

Build a Number

Equipment: Numicon Shapes, Number rods, numeral cards (0-100), Rod track, HTU frame (copymaster 48)

Task: Turn a card, build the number with shapes or rods along the 10's number line or rod track, then arrange the numbers on the HTU frame. Record the number in words.

Independent Task 2

HTU Game

Equipment: 2-3 players, HTU Frame (copy master 27) for each player, two sets of 0-9 cards from Numicon 0-100 Numeral cards shuffled and faced down, Numicon 0-1001 Number line for reference.

Aim: *Decide where to place the numerals in order to make the highest number.*

Instructions:

Player 1 turns a numeral card and chooses where to place it on their HTU Frame to make the highest number.

Player 2 and 3 turn a numeral card and choose where to place it on their frames. Each player takes another turn and chooses where to place it on their frames. Each player takes a final turn, placing their card in the remaining space on their frame.

The player with the highest number wins (find the numbers on the number line)

Reshuffle the numeral cards and repeat several times.

Hundreds  100s	Tens  10s	Units/Ones  1s
